BreeAnn Gale | Founder & Lead Event Planner

People often ask me why I got into the wedding and event planning business. The answer is simple: I am obsessed with planning events! I grew up planning vacations and parties for friends and family and never realized it could be something I could do for a living. One day in college, it dawned on me, I really could turn my passion into a career. That is when Pink Blossom Events was born.

Since 2006 I have been helping my clients turn their dreams into a reality. Whether it is a small seaside ceremony or a surprise fortieth birthday party, I am there to see that every detail is fulfilled. Once in a while I have to pinch myself knowing that I am able to spend my days making people's ideas come to life.

What started as a passion for planning vacations and parties for friends and family has turned into a career. I would be thrilled to help you plan your next event!

Sincerely,
BreeAnn Gale

Andrea Harrison | Event Specialist
